Any views or information expressed herein are for informational purposes only and should not be construed as an offer, solicitation, endorsement, recommendation, or inducement to invest.

We provide incidental assistance pertaining to mutual funds, including information regarding their appropriateness and suitability based on the investor's risk profile. We are **not Investment Advisers** as defined under the SEBI (Investment Advisers) Regulations, 2013, and do not provide investment advice in respect of SEBI-regulated products.

We do not charge or collect any transaction fees from investors for our distribution services, as we are compensated by Asset Management Companies (AMCs) for our distribution activities.

All existing and prospective investors are advised to independently evaluate the applicable **exit loads, expenses, charges, and other cost structures** before making any investment decision. Investors are also advised to consult their tax advisor regarding the applicable tax implications of redemption, switch, and other investment transactions.

Nothing contained herein shall be construed as investment advice, a recommendation, or an offer to buy, sell, or hold any securities or investment products. Investors should exercise independent judgment and carefully evaluate the risks, merits, and suitability of any investment before investing.

We do not provide indicative portfolios, assured yields, or indicative returns, nor do we assure or guarantee returns from any scheme or transaction.

Mutual Funds, SIFs, PMS, AIFs and GIFT City investments are subject to market risks. Such investments may involve relatively higher risks, including potential loss of capital, liquidity risk, and market volatility. Investors are advised to read the Scheme Information Document (SID), Key Information Memorandum (KIM), and all other scheme-related documents carefully before investing.

Past performance is not indicative of future returns, and there is no assurance or guarantee that the investment objective of any scheme will be achieved.
